Dear Al:

Thank you for your letter of July 21, 1989. I apologize for the long delay in response, but I have been checking this matter with our corporate attorney.

David Park feels that Mr. Hutcheson should be suspended from any registration at this time. He feels that if he wishes to be in, that we should let him appeal our decision to suspend him.

Please call me and let us discuss this to see if you feel we can go this direction without causing you any undo concern.

Thanks for your help in this matter.

Sincerely,

Paul Ernst, Director

Dear Paul:

SUBJECT: Robert Hutcheson

In reply to your letter of July 17, 1989, I will be unable to provide any further confirmation from the volunteer leaders in Troop 151 related to the events occurring on an October 1, 1988 troop campout. They were unwilling to provide any information in writing on this matter.

I had shared that with you earlier, and you advised that I should forward the confidential record sheet and attempt to limit his local involvement in Scouting. To that regard, you will find a copy of a letter from me to him, as well as a copy of his letter in response to mine.

Sincerely,

Albert W. Zenz

Dear Al:

I did not receive a letter dated February 1, 1989, but I can communicate my involvement in the Scouting Program for 1989 and 1990, possibly longer the only thing I will be doing is working with the Catholic Retreat Committee. I am unable to attend evening meetings and I am not available day time Monday through Saturday. I only desire to remain registered with Illowa Council in this regard. I have removed myself from

various committees in the Kitlan District
& Council, in addition to units, as a
result of work commitments. I will
not be able to attend other events this
year & probably 1990. I made a
reservation for the Mac Kissee Winter
Dinner, but I am unable to attend
and would appreciate a refund. If
you have any questions, please
write & let me know.

Sincerely,

Robert H. Hatcher

Since you have failed to respond to my first letter, dated February 1, 1989, requesting that you telephone me relative to our meeting, I will try again to offer you the opportunity to communicate about your involvement in the Scouting program.

Please call me at your earliest convenience to arrange for a time for you and I to meet. It will, clearly, be in your best interest to respond promptly to this second request.

Dear Al:

I really appreciate the material you recently sent which gives us information for identifying Mr. Hutcheson as well as the letter from the troop committee suspending him.

We really need more information concerning what went on. Apparently, the committee discussed the incidents, and we would like one of them to put in writing what they heard and what material they have that would substantiate our refusal of registration in the future.

Thanks for your help in securing a statement related to this matter.

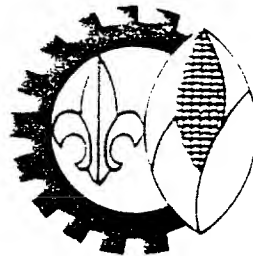

Sincerely,

Paul Ernst, Director

From: Troop Committee members and Parent's of troop 151.

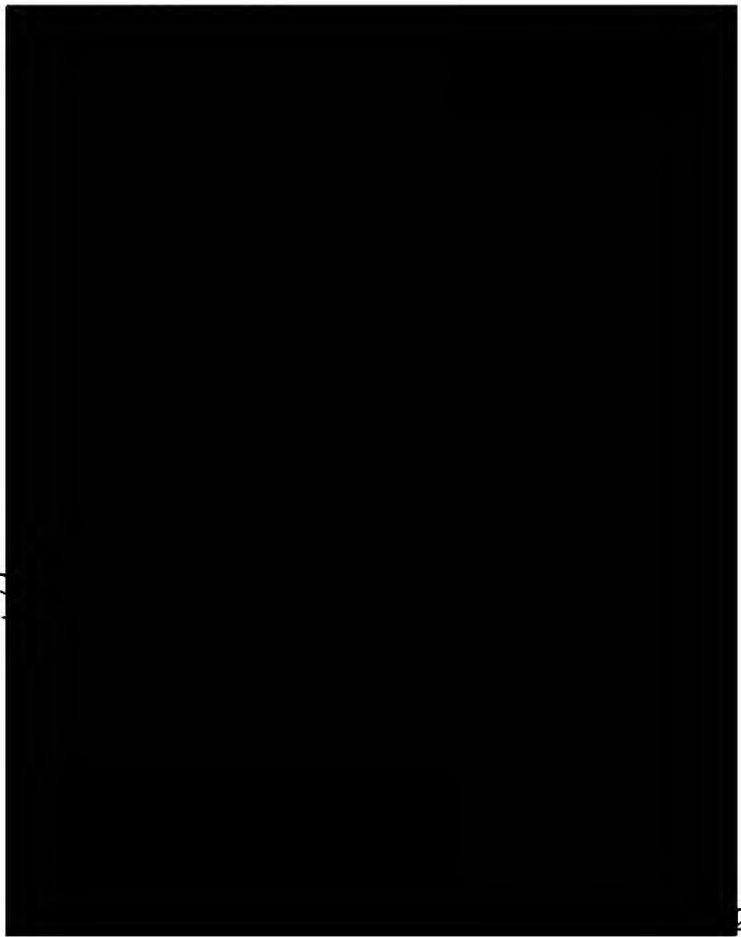

Subject: Your conduct at the Oct.1 campout.

Bob:

Due to some of the unpleasant circumstances that took place at the campout at Willard's Wood's on Oct.1,1988. It was decided by leadership that these circumstances be brought up at the parent's meeting and let the parents know about the pranks and conversations that were overheard.

The conversations overheard by a leader was the most upsetting of all and so it was decided by this that the Troop committee, Parents, and leadership that your assistance or affiliation with troop 151 is no longer appreciated or wanted

Dear Al:

I am following up on the phone calls which you made to our office in October and November concerning the above named individual.

We have not heard from you since the phone calls even though we have written to you twice. I am enclosing another Confidential Record Sheet which I would like to have completed, so we can identify Mr. Hutchinson. Please also give us a paper with his signature, if you have this available, as this aids in the identification process.

If you can secure some statements from the troop adults who reported this, it would be most helpful to us in supporting our file.

Thanks for your help in completing this matter.

SUBJECT: ROBERT HUTCHINSON

Dear Al:

We received telephone calls from your office in October and November of last year related to the above named individual. It was indicated that he had slept with some youth members, and talked to them about sex with animals and men.

I am enclosing another confidential record sheet which I would like to have completed, so that we may identify Mr. Hutchinson. Please also send us a copy of a paper with his signature, as this aids in the identification process.

We really need statements from the individuals who heard these comments, or from the youth members who heard them. We must have something that will give us a file strong enough to refuse registration anywhere in the country.

Thanks for your help.

SUBJECT: Robert Hutchinson

Dear Al:-

I believe Mr. Hutchinson should be placed on the Confidential File per our conversations of October 18 and November 22.

I, therefore, am enclosing a Confidential Record Sheet which I would like to have completed, so we can identify Mr. Hutchinson. A registration application or other paper with Mr. Hutchinson's signature would also aid in the identification process.

We really do need a statement from the adults who heard the comments by Mr. Hutchinson to the fourteen and fifteen year old Scouts. This material is most necessary, if we are going to have a file strong enough to refuse registration anywhere in the country.

Thanks for your help in completing this file.
